133 Church Road

Rainford, St. Helens - WA11 8QH

Asking Price £235,000

Located in the heart of Rainford village, on the charming Church Road, lies a delightful cottage known as The Image House, a property rich in history dating back to 1744. This enchanting home offers a perfect blend of character and modern living, making it an ideal choice for those seeking a unique residence. The property is well maintained, there will be no internal images used on marketing as a tenant is currently in situ with notice pending and we respect their privacy, but we can assure any potential viewers that the home is well maintained.

The statues at the front add to the mystery and charm, no one quite knows how they appeared and are subject to local legend. The statues are Grade 2 listed now, but the property itself isn't listed making a purchase much smoother.

Upon entering, you are welcomed by an entrance porch that leads into two generously sized reception rooms, perfect for entertaining guests or enjoying quiet evenings at home. The cottage boasts two double bedrooms, with the master featuring an ensuite bathroom for added convenience. Additionally, a versatile loft room provides extra space that can be utilised as a third bedroom or a study, catering to your individual needs.

The ground floor also includes a well-appointed bathroom and a kitchen that is both functional and inviting, making meal preparation a pleasure. The property is further enhanced by a well-sized rear garden, offering a tranquil outdoor space for relaxation or gardening enthusiasts. A driveway at the front provides off-road parking, adding to the practicality of this charming home.
